

ROD

SAVER[®]

Premium
tie-down
products

Fishing, boating and outdoor enthusiasts depend on Rod Saver premium tie-down products by O’Neill Manufacturing, Inc. For more than 20 years, O’Neill has provided the best accessories for professional and amateur outdoorsmen alike. Our products are produced and manufactured with pride right here in the USA and come with a 100% satisfaction guarantee.

This catalog showcases many products that have become industry standards for those who enjoy fishing, boating, personal watercraft, motorcycles and ATVs. If you don’t see what you need, just give us a call or drop us an e-mail. Our product line is always growing. Even if we don’t currently mass produce what you’re looking for, we would be happy to provide you with a quote for a custom-made product that fits your exact specs.

We offer several stainless steel products designed to withstand constant exposure to salt water. Look for the  symbol throughout this catalog.

Need an inexpensive way to promote your business? Let us monogram your tie-downs with your company information. Look for the  symbol or see page 5 for details.

Rod Saver Products

Who would have believed that something as seemingly insignificant as a strap could have such a huge impact on outdoor sports? But that's exactly what has happened. Today you can spot Rod Savers wherever you find boating enthusiasts. They're an inexpensive way to insure that your rods stay on the deck of your boat and not on the bottom of the lake.

NEW: Vinyl Rod Saver

At O'Neill, we constantly rethink and reengineer even our biggest sellers. Why? Because our customers deserve the best. This endless pursuit of perfection led to the creation of our new Vinyl Rod Savers. Sleek black vinyl makes these tie-downs resistant to stray hooks and sudden bursts of bad weather. It's added durability with a bit of style for a more professional display of your rods.

Part Number	Description	Capacity
12 VRS	12" single strap	up to 7 rods (M)

Original Rod Saver

The original is still hard to beat. When it comes to keeping fishing rods in the boat and out of the water, nothing does it better than the Original Rod Saver. This indispensable piece of boating equipment comes in three sizes, from single- to double-strap models, to hold either four or five rods. Each set includes stainless steel, mounting hardware. Ask about personalization.

Single Strap Rod Saver

Part Number	Description	Capacity
10 RS	10" single strap	up to 5 rods (M)

Double Strap Rod Saver

Part Number	Description	Capacity
8/6 RS	8" & 6" set	up to 4 rods (M)
10/6 RS	10" & 6" set	up to 5 rods (M)

(M) = see monogramming options on page 5.

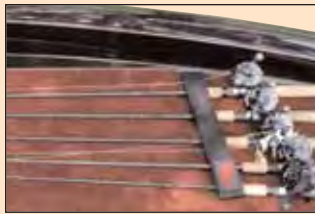

NEW: Rod Saver with Secure Lock

Serious fishermen invest some serious money in their rods and reels. O'Neill's latest innovation, the Rod Saver with Secure Lock, is designed to add some serious security to that investment. Dual closures tighten in two directions to keep your rods in place, even when they encounter big wakes or clumsy feet. The Rod Saver with Secure Lock is available in both our original and vinyl models.

Part Number	Description	Capacity
10 RS-SL	10" single strap original model	up to 5 rods 
12 VRS-SL	12" single strap vinyl model	up to 7 rods 

Pro Model Stretch Rod Saver

Serious fishermen use many different rods. Our Pro Model Rod Savers are designed to keep rods at the ready so they're within easy reach. The pro series is longer than the Original Rod Saver and includes a durable elastic band to accommodate more rods. Available in single- or double-strap models. Each includes a set of stainless steel mounting screws.

Single Strap Pro

Part Number	Description	Capacity
12 PM	12" single strap	up to 7 rods 
14 PM	14" single strap	up to 8 rods 

Double Strap Pro

Part Number	Description	Capacity
12/6 PM	12" & 6" set	up to 7 rods 
14/8 PM	14" & 8" set	up to 8 rods 

Colored Rod Saver

Colored Rod Savers allow you to coordinate with your boat's colors or use a different color for each member of your family. Each set includes one 11" reel strap and one 6" tip strap. They're just as durable as the original and include stainless steel mounting screws for a professional-looking installation.

Part Number	Description	Capacity
11/6 RSB	11" & 6" set, blue	up to 6 rods 
11/6 RSG	11" & 6" set, gray	up to 6 rods 
11/6 RST	11" & 6" set, tan	up to 6 rods 
11/6 RSTG	11" & 6" set, teal/green	up to 6 rods 
11/6 RSW	11" & 6" set, wine	up to 6 rods 
11/6 RSBLK	11" & 6" set, black	up to 6 rods 

Side Mount Rod Saver

Is your boat cramped for space? Our Side Mount Rod Savers are designed for vertical installation. Durable foam inserts keep your rods securely close at hand.

Part Number	Description	Capacity
SM 208	8" model	up to 4 rods 
SM 210	10" model	up to 6 rods 

 =see monogramming options on page 5.

Fishing Accessories

Steam rising from a thermos melts into the steamy air rising from the lake as millions of fishermen prepare for another all-day adventure. It's a rite of passage; passed down from generation to generation. The stories may get bigger as the years go by, but so does the bonding. O'Neill Manufacturing is proud to play a small role in such an important American tradition.

Deluxe Kicker Motor Tie-Down Strap

Keep your kicker motor from kicking up and getting beat up in choppy water. A simple ratchet buckle and specially designed vinyl-coated metal anchoring bracket make the hook up simple and provide a little added security for one of the most expensive items on your boat.

Part Number	Description
DKMS	deluxe kicker motor strap

Trolling Motor Tie-Down System

Extend the life of your trolling motor by keeping it from bouncing around when it's not in use. With the O'Neill Trolling Motor Tie-Down System, your trolling motor will never end up at the bottom of the lake.

Part Number	Description	Adjustable
TMS 10	standard trolling motor saver	9" to 18"
TMS 12	double strap set for deep V boats	9" to 24"

Reel Wrap

Harsh elements can take years off the life of a reel. Keep the dust, dirt and the sun's rays off any bait-cast or spinning reel with the only reel wrap on the market that eliminates the need to break down your rod. It's the perfect companion to the Rod Saver and Rod Saver Vehicle Carrier System.

Part Number	Description	Application
RW	bait-cast wrap	bait-cast reels
RW 2	bait & spinning wrap	bait-cast & spinning reels

Map Saver

Keep maps, money and other important papers organized and dry in this water-resistant utility bag. Or use it to keep your glasses, wallet and keys out of the way while you enjoy the day on the water. The Map Saver includes two mounting options—adhesive hook-and-loop or screws.

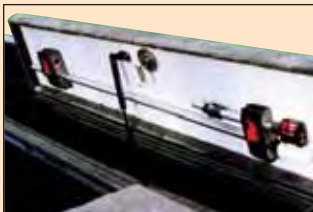

Part Number	Description	Size
MSR	map saver	7" x 14"

Marine Whistle

The O'Neill marine whistle meets most state regulations for a marine sound device. Keep it on hand for communicating with other water vehicles or in case of emergency. Fits well in our Map Saver or on your key chain.

Part Number	Description
MW	marine whistle

Light Saver

Half the hassle of switching to your running lights at dusk is digging around to find them. Once again, O'Neill Manufacturing provides you with a simple and convenient solution—the Light Saver. Now you can keep running lights out of the way but close at hand.

Part Number	Description	Capacity
LS	light tie-down	up to 2 lights

Utility Sheath

Ever been out in the middle of the lake and needed needle nose pliers to pull a hook free? Every fisherman has. This handy utility sheath keeps all your tools—from pliers to lighters, knives to sharpening stones—within easy reach the next time you need them. Wear it on your hip or strap it to your seat pedestal.

Part Number	Description
US	tool kit utility sheath (tools not included)

Crank Wrap

Keep hooks from embedding in carpet, cloth or your thumb with these durable Crank Wrap enclosures. These little lifesavers are great for all lures with sharp hooks, crank baits and plastic worms. They're even perfect for keeping fresh bait moist and out of the sun.

Part Number	Description	Size
CW	small crank wrap	3" x 8"
CW 2	large crank wrap	5" x 7"

Measuring Board Sleeve

Stick your measuring board (or Golden Rule) where you'll always be able to find it with these handy adhesive sleeves. Mount them vertically or horizontally virtually anywhere—on consoles, the inside of storage box lids and other flat surfaces.

Part Number	Description	Capacity
MBS 2	sleeve for 2" golden rule	2" wide rule
MBS 3	sleeve for 3" golden rule	3" wide rule

Rod Saver Vehicle Carrier System

The O'Neill Rod Saver Vehicle Carrier System is ideal for any truck, mini-van or SUV. Spring clips and straps that adjust from 40" to 72" hold your rods securely while ensuring quick and easy installation and removal. Can be mounted vertically or overhead.

Part Number	Description	Capacity
VRC	vehicle rod carrier	up to 7 rods

Monogram Details

Any catalog item with the **M** symbol next to it may be monogrammed. To order, simply let us know the word or words you'd like added, the thread color and the type style. We can monogram any of these tie-downs, from boating (pictured on left) to motorcycle (pictured on right). We can also duplicate your logo for a small one-time charge. Let us tell you how when you place your order.

Minimum Order: 24 pair (or pieces) per item

Maximum Letters: 20 letters per piece

Over-Runs: We reserve the right to ship over-runs (not to exceed 10% more than quantity ordered)

OLD STYLE=**ABCDEFGHIJKLMN OPQRSTUVWXYZ**

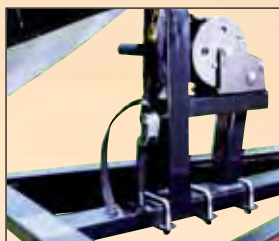

Marine Tie-Downs

The lake. Those two little words can erase the stress and tension from even the worst week. For many, boating isn't just about spending quality time with friends and family or even about enjoying nature and the great outdoors. It's a way to unplug and recharge. Calm waters have a natural calming effect. At O'Neill Manufacturing, we produce products that help you get the most of your time on the water.

Bow Tie-Down

O'Neill bow tie-downs are manufactured with super strong nylon belts and 1,200 lb. cam buckles. Our 24" model is the most popular style for its unique adjustable slip harness that fits most trailer bars. For those who need support for taller bow-to-trailer heights, our 80" model is the perfect fit.

Part Number	Description	Size
BTD 1	double-hook bow tie-down	24"
BTD 2	double-hook bow tie-down	80"

Boat Cover Tie-Down

When your day on the lake is finished, these strong boat cover tie-downs are a breeze to fasten. They feature double-J hooks that fit most cover grommets or sewn loops, and a slip harness for quick attachment to your trailer. Our economy boat cover tie-downs include six 8' straps made with polypropylene webbing and easy-to-fasten side release buckles.

Part Number	Description	Size
BCTD 36	six boat cover tie-downs	36"
BCTD 48	six boat cover tie-downs	48"
EBCTD	six economy tie-downs	8'

NEW: Dock Saver

Making endless loops around the cleats to tie the boat to the dock takes too much time and isn't always secure. That's why O'Neill created the one and only Dock Saver tie-down. Simply place the loops over the dock and boat cleats and quickly tighten the slack with the cam buckle. A thumb lever makes escaping from the dock quick as well.

Part Number	Description	Adjustable
DS	dock saver tie-down	24" to 66"

Marine Cargo Strap

No one likes to go diving for items that have flown off the boat. Keep your tackle box, cooler and other onboard equipment and supplies from sliding around with these heavy-duty polypropylene straps and 500 lb. cam buckles.

Part Number	Description	Adjustable
MCS	equipment/cargo strap	18" to 72"

Battery & Gas Tank Tie-Down

There are three things that should always be secure before you push off from the dock. The first is your safety vest or other personal safety device. The other two are your spare gas tanks and batteries. Keep these and other bulky items secured with our 48" tie-downs. They include nickel-coated steel footmen loops and corrosion-resistant buckles.

Part Number	Description	Size
BGTD	battery/gas tank secure strap	48"

Replacement Winch Strap

O'Neill Manufacturing offers two types of replaceable winch straps in a variety of lengths for all your boating needs. Our standard winch straps are constructed of a 7,000 lb. polyester belt with a 6,000 lb. drop forged hook. They include hardware for drum mounting. Our heavy duty winch straps are made of 10,000 lb. webbing and a 10,000 lb. drop forged hook.

Part Number	Description	Rated Capacity	Size
WS 16	standard winch strap	5,000 lbs.	2" x 16'
WS 20	standard winch strap	5,000 lbs.	2" x 20'
WS 25	standard winch strap	5,000 lbs.	2" x 25'
WSY 20	heavy-duty winch strap	10,000 lbs.	2" x 20'
WSY 25	heavy-duty winch strap	10,000 lbs.	2" x 25'

Transom Tie-Downs

When it comes to transom tie-downs, O’Neill Manufacturing leads the industry in quality and innovation. We were the first to bring you coated top hooks and wraparound buckle protection—both increase the durability and life of your tie-downs. Don’t forget to ask about personalization options when you order.

NEW: Retractable Transom Tie-Down

We call our new retractable transom tie-down the boat saver because it is one of the best ways to secure your boat to the trailer. The boat saver swivels to ensure that webbing is pulled in a straight line to the boat transom eye. It also features an easy squeeze release mechanism. If you have an older trailer, you’ll need to purchase the optional mounting bracket that allows you to mount the boat saver horizontally.

Part Number	Description	Rated Capacity	Adjustable
RT 40	two boat saver tie-downs	1,800 lbs.	up to 40"
RTB	two optional mounting brackets	5,500 lbs.	

Stainless Steel

Part Number	Description	Rated Capacity	Adjustable
SS / RT 40	two stainless steel boat saver tie-downs	1,500 lbs.	up to 40" ^{SS}

^M=see monogramming options on page 5.

Deluxe Trailer Tie-Down

Our finest transom tie-downs include O'Neill's unique center-locking buckle for added security under even the worst road conditions. The standard deluxe models are designed for lighter aluminum boats, 15'5" or shorter. The heavy-duty deluxe transom tie-downs are rugged enough for even the largest boats.

Part Number	Description	Rated Capacity	Size
TTDS 1/2	two standard deluxe transom tie-downs	700 lbs.	1" x 2'
TTDS 1/3	two standard deluxe transom tie-downs	700 lbs.	1" x 3'
TTDS 1/4	two standard deluxe transom tie-downs	700 lbs.	1" x 4'
TTD 2	two heavy-duty deluxe transom tie-downs	1,500 lbs.	2" x 2' 
TTD 3	two heavy-duty deluxe transom tie-downs	1,500 lbs.	2" x 3' 
TTD 4	two heavy-duty deluxe transom tie-downs	1,500 lbs.	2" x 4' 
TTD 5	two heavy-duty deluxe transom tie-downs	1,500 lbs.	2" x 5' 

Stainless Steel

Part Number	Description	Rated Capacity	Size
SS / TTD 3	two stainless steel deluxe tie-downs	1,200 lbs.	2" x 3' 
SS / TTD 4	two stainless steel deluxe tie-downs	1,200 lbs.	2" x 4' 
SS / TTD 6	two stainless steel deluxe tie-downs	1,200 lbs.	2" x 6' 

Quick Release Tie-Down

These rugged tie-downs include an over-the-center, quick release buckle that locks tight so your boat won't come loose. They feature a coated top hook and a zinc chromate bottom hook.

Part Number	Description	Rated Capacity	Size
QRTD 2	two quick release tie-downs	1,500 lbs.	2" x 2' 
QRTD 4	two quick release tie-downs	1,500 lbs.	2" x 4' 
QRTD 6	two quick release tie-downs	1,500 lbs.	2" x 6' 

Paddle Buckle Tie-Down

Paddle Buckle tie-downs are economical and practical. O'Neill offers three models, each in a variety of sizes. Choose among our 1" tie-downs, the 2" models or our latest and best paddle buckle transom tie-downs with vinyl pads. The latest model includes bright orange padding behind the buckle to ensure maximum protection to your boat.

Part Number	Description	Rated Capacity	Size
1 PB 2	two paddle buckle tie-downs	750 lbs.	1" x 2'
1 PB 4	two paddle buckle tie-downs	750 lbs.	1" x 4'
2 PB 2	two paddle buckle tie-downs	1,000 lbs.	2" x 2' 
2 PB 4	two paddle buckle tie-downs	1,000 lbs.	2" x 4' 
2 PB 6	two paddle buckle tie-downs	1,000 lbs.	2" x 6' 
2 PB 2 VP	two padded paddle buckle tie-downs	1,000 lbs.	2" x 2' 
2 PB 4 VP	two padded paddle buckle tie-downs	1,000 lbs.	2" x 4' 

Quick Tite Tie-Down

Keep your small boat securely in place with our strong small boat transom tie-downs. Don't be fooled by the size of these transom tie-downs. They're small but mighty with an ultra-smooth roller action. These quick tite tie-downs are great for tying down boats that are 17' or shorter.

Part Number	Description	Rated Capacity	Size
1 QT 2	two quick tite tie-downs	1,500 lbs.	1" x 2'
1 QT 3	two quick tite tie-downs	1,500 lbs.	1" x 3'
1 QT 4	two quick tite tie-downs	1,500 lbs.	1" x 4'

Utility Tie-Down

Smart boaters always have extra tie-downs stashed in their cars, trucks and boats. That's why we created the utility tie-down. Like all O'Neill products, it's very strong and extremely durable. Use it to tie down wet bikes, ATVs, motorcycles or other cargo.

Part Number	Description	Rated Capacity	Size
UTD	two utility tie-downs	1,500 lbs.	5 1/2'

NEW: Rubber-Covered Ratchet Transom Tie-Down

Some applications require a softer touch. That's why we created the soft-grip rubber-covered ratchet transom tie-down. It's made from the same durable materials as our standard ratchet tie-downs, but the soft rubber covering makes them more comfortable and easy to handle.

Part Number	Description	Rated Capacity	Adjustable
RBRTD 4	two soft-grip ratchet tie-downs	1,500 lbs.	up to 4'

Ratchet Tie-Down

The O'Neill ratchet tie-down system is very easy to use and durable. The standard models are perfect for smaller boats, 17' or shorter (1" buckle pictured in left inset). The heavy-duty versions include 2" nylon webbing, a coated top hook, a zinc chromate bottom hook and a built-in orange vinyl pad to protect your boat's finish (2" buckle pictured in right inset). They're great for medium to large run-about, pontoon or cuddy cabin boats. The stainless steel models are designed for all your saltwater adventures.

Part Number	Description	Rated Capacity	Size
RTD 3	two standard ratchet tie-downs	1,500 lbs.	1" x 3'
RTD 4	two standard ratchet tie-downs	1,500 lbs.	1" x 4'
RTD 6	two standard ratchet tie-downs	1,500 lbs.	1" x 6'
R2 TTD 3	two heavy-duty ratchet tie-downs	1,500 lbs.	2" x 3' 
R2 TTD 5	two heavy-duty ratchet tie-downs	1,500 lbs.	2" x 5' 

Stainless Steel

Part Number	Description	Rated Capacity	Size

SS / RTD 4	two stainless steel ratchet tie-downs	1,200 lbs.	1" x 4' 
SS / RTD 6	two stainless steel ratchet tie-downs	1,200 lbs.	1" x 6' 

Gunwale Tie-Downs

The only place you want your boat to go when it's on your trailer is to the lake. O'Neill's top-quality gunwale tie-downs ensure that your pride and joy doesn't end up as road kill. Our gunwale tie-downs are available in 1" and 2" models and come in quick release, paddle, roller and ratchet buckle systems.

Quick Release Gunwale Tie-Down

Like every product we manufacture, our quick release gunwale tie-downs are made of premium quality materials that can withstand years of abuse. Each tie-down features an over-the-center buckle and two zinc chromate S hooks.

Part Number	Description	Rated Capacity	Size
QRGW 10	quick release gunwale tie-down	1,500 lbs.	2" x 10'
QRGW 13	quick release gunwale tie-down	1,500 lbs.	2" x 13'
QRGW 16	quick release gunwale tie-down	1,500 lbs.	2" x 16'

Paddle Buckle Gunwale Tie-Down

Paddle buckles are easy to grab, and they lock tight. Our gunwale models feature polypropylene webbing, 2" buckles and two zinc chromate S hooks.

Part Number	Description	Rated Capacity	Size
PBGW 10	paddle buckle gunwale tie-down	1,000 lbs.	2" x 10'
PBGW 13	paddle buckle gunwale tie-down	1,000 lbs.	2" x 13'
PBGW 16	paddle buckle gunwale tie-down	1,000 lbs.	2" x 16'

Ratchet Gunwale Tie-Down

The O'Neill ratchet gunwale tie-down is ideal for lighter weight boats. This gunwale tie-down system is constructed of a 1" nylon belt. For boats 17' or shorter, these tie-downs are just right.

Part Number	Description	Rated Capacity	Size
R1GW10	ratchet gunwale tie-down	1,500 lbs.	1" x 10'
R1GW13	ratchet gunwale tie-down	1,500 lbs.	1" x 13'

SS / GW2 / 20	stainless steel gunwale tie-down	1,200 lbs.	2" x 20' SS

Recreational Vehicle Tie-Downs

Boats aren't the only vehicles that need tie-downs. O'Neill Manufacturing makes the best tie-downs for all kinds of water and land vehicles. From your jet ski to your ATV, we can help make sure your vehicles get to and from your destination without a scratch.

Personal Watercraft Tie-Downs

Jet skis and other personal watercraft require special tie-downs to get them safely to and from the lake. Like every tie-down system we manufacture, O'Neill uses the strongest most durable materials to ensure your personal watercraft a safe and secure ride. Choose from cam buckle, ratchet gunwale or 3rd hook tie-downs (shown here with its unique sliding third hook).

Personal Watercraft 3rd Hook Tie-Down

Part Number	Description	Rated Capacity	Size
09630	sliding 3rd hook tie-down	1,500 lbs.	1" x 10'

09624	replacement winch strap	5,000 lbs.	2" x 12'
09625	replacement winch strap w/soft loop	4,000 lbs.	2" x 12'

Motorcycle Tie-Downs

Before you can get your motor running and head out on the highway, you have to get your motorcycle there safely. Our motorcycle tie-downs get your bike from the driveway to the motorway in one piece. We were the first to introduce rubber covered motorcycle tie-downs, and all our tie-downs are available with stitched-in soft extensions (photo on the left)—both innovations prevent scratching, provide added protection and offer increased ease of use.

Premium Cam Buckle Motorcycle Tie-Downs

Part Number	Description	Hooks	Rated Capacity
09602	two premium 5 1/2' cam buckle tie-downs	vinyl coated	1,500 lbs. (M)
09663	two premium 5 1/2' tie-downs w/soft extensions	vinyl coated	1,500 lbs. (M)

09806	two 5 1/2' tie-downs w/soft extensions	vinyl coated	1,500 lbs. (M)

NEW: Rubber Covered Ratchet Motorcycle Tie-Down

Extreme heat, and even cold, can be hard on your hands when handling conventional tie-down buckles. O'Neill's rubber covered ratchet tie-downs are a motorcycle industry first (inset photo on the left). The rubber coating also helps prevent scratching.

Combine that with optional soft extensions for the ultimate in scratch protection for your bike. For added piece of mind, our 09855 model includes heavy duty keeper hooks (inset photo on the right).

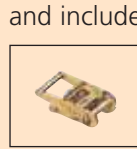

Part Number	Description	Hooks	Rated Capacity
09850	two 5 1/2' ratchet buckle tie-downs	vinyl coated	1,500 lbs. (M)
09860	two 5 1/2' tie-downs w/soft extensions	vinyl coated	1,500 lbs. (M)
09855	two 5 1/2' tie-downs w/soft extensions & keeper hooks	vinyl coated	1,500 lbs. (M)

NEW: Hog Saver Motorcycle Tie-Down

Keep the big scratches off your big hog with the tie-downs made specifically for larger bikes. Our Hog Saver motorcycle tie-downs are the strongest we manufacture

and include a stitched-in orange vinyl pad for added protection. They're also available with built-in soft extensions. (photo in the middle).

Part Number	Description	Hooks	Rated Capacity
09820	two standard hog saver tie-downs	vinyl coated	1,500 lbs. (M)
09840	two hog saver tie-downs w/soft extensions	vinyl coated	1,500 lbs. (M)

Motorcycle Tie-Down Extensions

Part Number	Description	Hooks	Rated Capacity
09641	two 12" extensions	4,000 lbs.	1" x 12"
09642	two 18" extensions	4,000 lbs.	1" x 18"

ATV Camouflage Tow Strap with Carrying Bag

Whether you're offroading to a remote hunting or fishing spot or just tooling around in the mud, you'll want to make sure you're properly equipped for any situation. A tow strap is a must for times when you get stuck having a little too much fun.

Part Number	Description	Rated Capacity	Bag Size
99113	ATV tow strap	5,000 lbs.	5" x 12"

ATV Tie-Downs with Camouflage Carrying Bag

Be prepared for anything that comes your way while you're out riding the trails with our complete ATV tie-down sets. They are great for strapping down your cargo,

equipment or the catch of the day. The kits are available with two ratchet buckle tie-downs (99114) or with two ratchet tie-downs and one cam buckle tie-down (99115). The handy camouflage bag included with the both sets straps securely to your ATV bars.

Part Number	Description	Rated Capacity	Bag Size
99114	ATV ratchet tie-down set	1,500 lbs.	8" x 6 1/2"
99115	ATV ratchet & cam tie-down set	1,500 lbs.	8" x 8"

Black Max Winch

The Black Max Winch is so strong and versatile that it can get you out of even the toughest spots. Its unique hook attaches to almost anything, and it pulls in any direction. Everything about this winch is heavy duty, from the steel construction to the 21' winch strap.

Part Number	Description	Rated Capacity
99118	rugged ATV winch	900 lbs.

Up-Tite Rail System

If you own a truck, utility trailer or flat bed trailer, you need an Up-Tite cargo anchoring system. This rugged system consists of heavy-duty 6061-T6 aluminum tracks that hold motorcycles, ATVs and other heavy cargo securely in place. An adjustable slide/hook assembly locks into place and provides anchor points approximately every six inches.

Part Number	Description	Applications
UT 24	24" rail system (includes 1 rail, 1 slide, hooks & hardware)	universal
UT 46	46" rail system (includes 2 rails, 4 slides, hooks & hardware)	universal
UT 69	69" rail system (includes 2 rails, 4 slides, hooks & hardware)	short-bed/mini trucks
UT 75	75" rail system (includes 2 rails, 4 slides, hooks & hardware)	full-size, extended beds
UT 95	95" rail system (includes 2 rails, 4 slides, hooks & hardware)	full-size trucks
